Hello all,

We plan to stream the State Board of Elections meeting from the CCESL office for an update on the voting site situation. It is unlikely that there will be a public comment period so we will watch the county board members present their majority/minority plans to the state. This meeting includes 12 other counties going in alphabetical order so we are a bit towards the end. The meeting starts at 9:00 am. Feel free to stop by for updates and share with anyone who might be interested.

Best,
Jenna
